

### **Update for individuals currently on the Supports for Community Living waiting list**

If you or your family member are currently on the [Supports for Community Living](#) (SCL) Waiver waiting list and believe you now meet the criteria for urgent need (see below), call the [Department for Mental Health, Developmental Disabilities and Addiction Services](#) (DMHDDAS) at 564-7702 to inquire about service availability. You then will be contacted by your local [Community Mental Health Center](#) to schedule a Michelle P. Waiver assessment.

### **Urgent Need Criteria**

907 KAR 1:145, Section 7,(7)(b) defines urgent need as service needed within one year, determined by:

1. Threatened loss of the individual's existing funding source for supports within the year due to the individual's age or eligibility;
2. The individual is residing in a temporary or inappropriate placement but his or her health and safety is assured;
3. The diminished capacity of the primary caregiver due to physical or mental status and the lack of an alternative primary caregiver; or
4. The individual exhibits an intermittent behavior or action that requires hospitalization or police intervention;

### **Update for individuals who are not on the SCL waiting list.**

If you or your family are not on the SCL waiting list and believe you meet one of the above criteria, please print the [MAP 10](#) and [Map 200](#) forms (see links at right). Mail the completed forms to the address listed on the MAP 200 form. Be sure to include **any supporting documentation about how you meet one of the above criteria** (such as letters from family members, doctors or service providers) to demonstrate your urgent need.
